Rivers to Meet Cross Again.

Leach Cross of New York and Joe Rivers, the Mexican lightweight of Los Angeles, have been matched for a 20-round bout at Vernon on July 28. They signed up after quibbling for almost a week. East believed he was the star of the card and wanted the larger share of the receipts. They are to make 135 pounds ringside.

The Mexican and the New Yorker met twice in 10-round no decision fights in New York, and once in a 20-round battle at Vernon last Thanksgiving day, which Rivers won.

New Haven and other issues of the same class were again weak, the former declining to its recent low record, while some of the Goulds, Ontario and Western Maryland and Toledo, St. Louis and Western added to their recent severe losses. The arraignment of New Haven's former management by the interstate commerce commission had little if any effect on the market.

Prices rallied fractionally in the final dealings, probably as a result of short covering, but trading became dull and the tone at the close was weak, New Haven, however, reflecting some buying.

New Haven, however, reflecting some buying.

News of the day was mainly of an encouraging character, the west reporting an increased demand for all kinds of manufactured products, while freight shipments in that section were even with last year. Advices from Washington also made for more optimism in business circles. London was a moderate buyer here, despite dull conditions at home.

Money rates were nominally higher, last Saturday's low clearing house reserves causing a number of local banks to remain out of the market.

In the bond list half a score of low prices issues lost from two to 10 1-2
